## INTRODUCTION.

The Descriptive Catalogue of Sanskrit Manuscripts in this Library has been issued in twenty-eight volumes and is still in progress. This series has been issued by subjects in Volumes I to XXIV ; and Volumes XXV to XXVIII are supplemental volumes for which separate Subject Indexes have been added in Volumes XXVII and XXVIII. The Descriptive Catalogue deals with manuscripts that had been acquired for the Library till the end of 1910. The reference to the Descriptive Catalogue is by "D. No.", etc., etc.

The manuscripts that have been acquired since 1911 for the Library are being described in a new series called "The Triennial Catalogue of Manuscripts—Sanskrit," each volume containing the description of the collections made during a triennium. Each Triennial Catalogue contains separately an Author Index, a Subject Index and a General Index. Triennial Catalogues ending with 1934 have already been issued and the rest are in progress. The reference to the Triennial Catalogue is by "R. No.", etc., etc.

The other references in the Index Volume (Parts I and II) are by shelves as "M-3-4" and "15-4-3" and relate to manuscripts that have been, or are being, described in either of the above series. To facilitate reference, a tabular statement of such references with their corresponding R. or D. No. is given in Appendix B to this Introduction.

The Alphabetical Index Volume is issued in three parts; Part I contains the titles from अ to ण and Part II contains the titles from ण to ह. Part III will contain the supplements to the above two parts, bringing up the Index to the end of the acquisitions till 31st August 1939.

Appendix A contains in a tabular form the R. or D. Number described in each of the Descriptive or Triennial Catalogues issued so far.

The star mark from page No. 425 onwards indicates that the work is generally available in print.

An Author Index of Sanskrit Manuscripts in the Library has just been published as a companion to the Alphabetical Index of Titles of Sanskrit Manuscripts.
